

Bleaklow

LB: located in Torside Reservoir carpark
(53°28'54.41"N) (1°53'56.37"W)
SK 067983

Coombes Clough | Alec Finlay

From Crowden Brook carpark take the Pennine Way N SK 068991. The renga-views are from SK 066995 looking over Hollins Clough, Coombes Clough, Millstone Rocks & Lad's Leap; and S, from Lad's Leap SK 052998, looking over Torside & Rhodeswood Reservoirs.

Shining Clough | Alec Finlay

From the LB take the Longendale Trail E. Head S at the signpost to Wildboar Clough; keep the clough on your left. Cross the clough SK 082977 heading N and NE following the gritstone escarpment to the renga-view of the Dowstones SK 096987.

Bleaklow (Higher Shelf Stones) | John Sewell

Leave the Pennine Way at Devil's Dyke SK 094937. Head NW across the moor and Crooked Clough to Higher Shelf Stones SK 089948. This renga-view can be combined with the Wain Stones SK 093959 by continuing N.

Bleaklow (Wain Stones) | Alec Finlay

From the LB take the Longendale trail W to pick up the Pennine Way running S SK 057980. Follow the path to the Wain Stones SK 093959. Alternatively, complete the view of Higher Shelf Stones SK 089948 first, then head N.
